Subject Re: Working Group Meeting

Hi all. Thank you to all who responded to this call for a working group meeting. It appears that **Thursday, October 14 from 9-11a.m** at the Swansea Rec. Center will work for just about all of us. So, that's the date - mark it down - and we'll see you there.

Subject Working Group Meeting

Yes, I'm talking about a VB/I-70 Working Group Meeting. So, harken back to the days when we all used to get together to share bagels and coffee and talk VB/I-70, and think how much fun it will be to do it again!

Agenda items will be:

- Soil cleanup - how it's been going, where we're at, what we still need to do
- Community Health Program - what's the plan? timing? who's doing what?
- If you have any other agenda items that you would like to add, just please let me know and we'll add them on.

Dates that work for us at EPA as well as the Swansea Rec Center are:

Thurs. Oct. 14, 9 - 11 a.m. (this is the best date for us)

or

Wed. Oct. 6, 12 - 2 p.m.

Please let me know if either or both of these dates work for you by Wed. Sept 22.

Thanks,
Looking forward to seeing you all,
-jc
